

Sec. 32-316. - Non-profit on-premise signs.

- (a) All non-profit on-premise signs that are attached to a building or a sign may be the cloth or vinyl type banner signs.
- (b) All non-profit on-premise free-standing signs must be made of corrugated plastic, otherwise known as coroplast signs and shall be supported by t-posts on each side. However, for a period of 12 months from the date of adoption of this ordinance, cloth or vinyl type, metal or wood on-premise free-standing banner signs shall be allowed.
- (c) Feather flags, not exceeding 12 feet in height, may be allowed in lieu of corrugated plastic signs.
- (d) All non-profit on-premise signs require a permit from the city.
- (e) A 501(c)(3) letter from the IRS must be presented with every non-profit on-premise sign application in order to be approved.
- (f) Each permit will allow a non-profit organization to place a maximum of one on-premise sign per street frontage.
- (g) Non-profit on-premise signs shall not be placed in the right-of-way and must be placed a minimum of ten and one-half (10.5) feet from the back of the curb. Non-profit off-premise signs along state roadways must be placed a minimum of 15 feet from the back of the curb. Non-profit off-premise signs along John King Blvd. must be placed a minimum of 20 feet from the back of the curb.
- (h) Non-profit on-premise signs may be displayed a maximum of 14 days.
- (i) There shall be a minimum 30-day interval between permits for each non-profit organization.
- (j) Non-profit on-premise signs shall not exceed 32 square feet in size.
- (k) Non-profit on-premise signs with expired permits must be removed within 24 hours of the permit expiration, or be subject to the issuance of a citation.
